

Dear parents and carers,

Welcome back to our last and very short half term of the academic year. We are happy that we are running the Summer Holiday Club as it seems too early to close. We do have a couple of places available for the 13th, 14th and 15th July.

The change to the provision of fruit has been very successful with many children trying new fruits. The children eat much more than they did when they brought one piece from home too.

Although we only have 4 weeks left, they will be actioned packed.

The children who are going to Belton School had their first visit to the school woods with us on Friday and thoroughly enjoyed it. They have 4 more. Also, hopefully, we will be able to hold our traditional Sports Day and Graduation ceremony on Friday 9th July. This year it will be on Belton Park and families of the children are invited to watch but must observe social distancing rules. We will be walking down to the park at 9am, so if you are able to come, you can drop the child's lunch box and bag off with us and then walk down to the park with us. This will only take an hour so we hope you will be able to come. This is just for our school leavers.

The visit to Stonehurst Farm is going ahead on Friday 18th June, we will meet in the farm car park at 10am. Sam will tick you off on the list and when we are all ready, we can go in together. During the day we can walk round in small groups and meet for lunch at 11.45am. Sam will let you know where when we get there. Sam will have the Playgroup phone and emergency contact lists as well as a First Aid Kit.

The Bags2school collection is on Thursday 17th June and all bags must be dropped off by 9am. They take clothes, bags, shoes, soft toys and bedding (but not quilts or pillows). This is an easy way to support us whilst having a good clear out.

You will be receiving a Progress Summary for your child. This is a summative report of your child's achievements since Christmas. We are in a transition period so you may get a more traditional report with all areas of learning or a less formal one which is more personal to the individual child. The new reports are in line with the reforms to the EYFS from September. The preschool children will have a Transition Summary and once you have read it and added your and your child's comments a copy will be sent into school along with the Learning Journeys. When the teachers have had a look at the Learning Journeys, they will come back to you to keep.

If you have not already done so, could you please let us know what hours you need for September. We are hoping to be able to keep all our lovely teachers and our assistant, Leah into next year as the whole team have worked so hard to ensure your children have had a happy and near to normal as possible year. Please let your friends know about us too.

Belton Village Hall,
School Lane,
Belton,
