## February 2024

Welcome back, we all hope that you had a lovely half term.

We are excited to say 'welcome' to Betsy & Arthur. We were sad to say goodbye to Megan and wish her well, but also excited to welcome our lovely new teacher, Katie

Last term we had an exciting visit from a lorry. We looked at lots of different transport and went off to far flung places such as Australia and Shepshed

Our coffee morning was a great success. The Fun Filled Friday children chatted to our guests and they all painted leaves for a 'Communitree' project that we are organising. We are enjoying making community links, which we feel is very important

Our maths project and the Loughborough University visits went really well and several parents have commented on the progress they feel their children are making. This makes us very proud!

We hosted a wonderful Valentines Disco. It was attended by 80 people who danced their socks off! Thank you to all who came, we hope you enjoyed it as much as we did. We raised over £200
